

PRISTINE

COUNTERTOP CLEANER

clean

Only **\$14.49**

The finest countertops in the world deserve the finest cleaning products in the world. Introducing Pristine Clean!

- Specially formulated and rigorously tested - safe to use on all stone surfaces and countertops
- Is non-toxic and leaves no harsh chemical scent or build-up behind
- Non-streaking formula completely removes surface marks and residue, leaving your countertops sanitized, shiny, and smooth

Pristine Clean was formulated exclusively for Lakeside Surfaces, the leading fabricator of stone products in the Midwest. Since 1992, Lakeside has pursued the finest quality surface solutions, and now they have developed a cleaning product worthy of your luxury countertops. Independently tested and approved by the research and development lab at Cambria™, this product is proven to keep your surfaces in pristine condition with absolutely no risk of damage. Ask your local kitchen and bath dealer about Pristine Clean today!
