

Quartz requires very little maintenance, simply wash with a soft cotton cloth and warm water, using a mild dish soap if desired. If you have more stubborn spots and would like to use something a little more cleaning power, Lakeside recommends the following products:

- Arm & Hammer Clean Shower
- Clorox Anywhere (Hard Surfaces)
- Clorox Disinfecting Kitchen Cleaner
- Denatured/Isopropyl (Rubbing) Alcohol
- EcoPure EP64 Neutral pH Multi-Use Cleaner
- EcoPure EP67 Heavy Duty Industrial
- Formula 409 Orange Power Daily Kitchen Cleaner
- GooGone
- Lysol Disinfecting Wipes
- Lysol Antibacterial Kitchen Cleaner with Citrus Scent
- Lysol Island Breeze Disinfectant
- Lysol Food Surface Sanitizer
- Lysol IC
- Lysol Sanitizing Wipes
- Method - The Daily Granite Spray
- Pristine Clean
- Saniten N-313
- Simple Green D Pro 3 Cleaner
- Simple Green Extreme Clean
- Simple Green Lemon Fresh
- Windex Multi-Surface Cleaner
- Windex Lime Action Multi Surface

Do not use abrasive or strong alkaline or acid (high or low pH) cleaners. **Do not use** or expose to bleach, oven cleaners, Comet, Soft Scrub, S.O.S. products with pumice, batteries, paint removers, furniture strippers, or tarnish or silver cleaners. **Do not use** abrasive or harsh scrub pads. **Do not** apply any sealers, penetrants or topical treatments, such products will wear off and cause the gloss to appear dull or inconsistent.
